### Announcement of Old Mutual iWYZE Hockey Nationals App

SASHOC and Old Mutual iWYZE is proud to announce that after the collaborative effort of a number of key stakeholders we are announcing the launch of the iWYZE Hockey Nationals App.

Downloading this App on the Android or IOS Platforms will allow you to follow all the action from the iWYZE Hockey Nationals events from U13, U16 and U18 Boys and Girls, from team lists to fixtures, score updates, social feeds and links to sponsors who make the events possible in preparing the future stars of South African Hockey.

The App:

These apps are all hosted in My School Zone, and can be accessed from one portal. You can use this link <http://myschoolzone.eventapp.com.au/>, or you can go to the App Store or Google Play Store and download the app called My School Zone. Once it is downloaded onto your phone, you will see the following page:

Select the iWYZE Hockey Nations 2017, and then you will be able to select the tournament of your choice from the following menu

When you first select a tournament you will be asked to verify your name, email address and contact details. This is only asked for the first time you open the app. Thereafter, you will be able to open the app without entering any information. Each tournament is a separate event, and you will need to do this for each one if you access more than one of the Apps.

The App contains all the important information regarding the tournaments:

## **Hockey Nationals**

Under 16

- Fixtures
- Team information
- Tournament rules
- Medical services
- Live Scores
- Links to the Facebook pages to upload photos and view photos uploaded by others.
- Information regarding professional photographs
- Information about the venues and maps to get there
- Restaurant suggestions
- Weather

The purpose of the App is to provide players, management, parents, family and friends the opportunity to engage with these various events and to receive real time information, be that event alerts, live scoring and social commentary.

This is all part of the #SAHockeyRevolution strategy of South African Hockey and our like-minded partner Old Mutual iWYZE.
